

Extra Large Digital Safe

SFW123GTF

Protect your important documents no matter how you store them. This safe features USB connectivity allowing you to keep USB drives and portable hard drives protected even while in use. Additionally, it also features a programmable electronic lock, 4 large, 1-inch bolts and a pry-resistant hinge bar to help prevent theft to sensitive materials.

FEATURES:

- UL Classified for Fire Endurance (1-hour at 1700°F/927°C), to protect documents, records and valuables stored inside from fire damage
- 4 large 1-inch bolts - 60% bigger than traditional safes
- Pry-resistant hinge bar helps provide additional protection from forced entry
- ETL Verified to withstand a 15-foot/4.5-meter drop during a fire and stay closed
- ETL Verified for 1-hour fire protection for digital media up to 1700°F/927°C in the event of a fire
- ETL Verified water protection up to 8 in. for 24 hours
- Dual digital lock with backlit key pad and tubular key lock
- Interior lighting for easy access in dark spaces
- Multi-position tray for easy and flexible organization
- Key rack, door tray, and deep door pocket for small easy-to-misplace items
- External USB 2.0 bus powered port (cable included) allows protection for removable hard drives that are stored safely inside unit
- May be bolted down to prevent unauthorized removal (hardware included)
- Steel construction provides added security

Dimensions (H x W x D)
